CHRISTIAN SCIENCE CHURCHES The demand and promise of the Palmist, "O bless our God, ye people, and make the voice of his praise to be heard; which holdeth our soul in life, and suffereth not our feet to be moved," constitutes the Golden Text in the Lesson-Sermon on "Soul" on Sunday, February 12, in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Among the Bible selections in the Lesson-Sermon are the words of Paul to the Romans: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death. . . . For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. . . . So then they that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you."

One of the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, says: "Man is harmonious when governed by Soul. Hence the importance of understanding the truth of being, which reveals the laws of spiritual existence."
